The earth is quaking, love is gone  
An act of god on  
What's been done  
Hopes and fears just disappear  
When you decided to face away

Kill! Me and you, is this all  
That you can do?  
Destroy! All that you can,  
Zombie style, women skill  
Erase! Everything, all that  
We did, memories  
Hate! You and me,  
Us but you, me and you...

A sudden death could  
Suit me fine  
A new order you redefined  
A sudden death could  
Suit me fine  
A body without a mind

My soul is shaking when

Love's gone  
The biggest war into  
The smallest heart  
Knives and arrows are planted in  
There's nothing left  
From what I've been

Kill! Me and you, is this all  
That you can do?  
Destroy! All that you can,  
Zombie style, women skill  
Erase! Everything,  
All that we did, memories  
Hate! You and me,  
Us but you, me and you...

A sudden death could  
Suit me fine

A new order you redefined  
A sudden death could  
Suit me fine  
A body without a mind
