You're the kind of friend who always bends when I'm
broken
Like remember when you took my heart and put it back
together again
I've been wasting time with clueless guys but now its
over
let me tell you why im through
I've met someone new who's just like you

You're it, you're the ultimate
Its automatic I'm sure of it
No lie, so don't even try
To tell me that you're not the guy
cuz I've been waiting all my life
for someone just like you
but you're it, you're the ultimate, you

You're the kind of guy whose hand in mine
send shivers up and down my spine
I wanna do to you what you do to me

you're the kind of guy that blows my mind
well now its my turn
and your right in front of me
Everything I need
why didn't I see?

You're it you're the ultimate
its automatic I'm sure of it
no lie so don't even try
to tell me that your not the guy
cuz I've been waiting all my life for
someone just like you
But you're it, you're the ultimate you

(guitar playing)

You're it, you're the ultimate
its automatic im sure of it
No lie so don't even try
to tell me that your not the guy

you're it you're the ultimate its
automatic I'm sure of it
no lie so don't even try to tell me
that your not the guy
cuz I've been waiting all my life for
someone just like you
But you're it you're the ultimate you

You're it, you're the ultimate you....
