Push, (You know what it is) Money over broads you got
it f**k bush (someone had to speak about it)

(chorus)

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

hmm where should i start lets start how bush toar the
country apart hmm now lets talk facts all they want is
oil in Iraq, attention!

we got sadam but no bin ladin looks like his fighting
the war for his daddy

Osamas people, Bushes people them mother f***ers
like family attention

Terrorsts this, terrorsts that the real terrioirsts are in
the white house, fact

first they rob the ellection they get impowered and
Boom! there go the towers attention

(chorus)

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

hmm where should i start lets start how bush toar the
country apart hmm now lets talk facts all they want is
oil in Iraq, attention!

we got sadam but no bin ladin looks like his fighting
the war for his daddy

Osamas people, Bushes people them mother f***ers
like family attention

Terrorsts this, terrorsts that the real terrioirsts are in
the white house, fact

first they rob the ellection they get impowered and
Boom! there go the towers attention

i smell a revoloution now they take alot of cash oh shit
thats asshole shit

money is the route of all evil not to mention thats what i
first read and God we trusted, Attenetion

(chorus)

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

Now they hate it take it or leave it believe it now the
hole country is hated thats coz our presidents greedy
bombing iraq for no reason attention! why the soldiers
loosing their life for even they ask what the hell is this
fight for no money no jobs and people tell the hood
dont rob, atention last time i checked war means
more money for these coporate companies yeah thats
correct aint bush involved with all these companies
yeah thats correct aw shit attention misery loves
company so dont be suprised if them boys come for
me so if i end up missing at least yal know i wasnt
bullshitin attention.

(chorus)

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

[Spanihs]

como dijo la bruja, we aint here to beat around the
bush we here to beat bush

como dijo la bruja, we aint here to beat around the
bush we here to beat bush

como dijo la bruja, we aint here to beat around the
bush we here to beat bush

como dijo la bruja, we aint here to beat around the
bush we here to beat bush

(chorus)

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead

Hoo hoo ha ha war war what is it good for absolutly
nothing, go ahead
