Break it down now

If you wanna talk to you... posted on the air
Step on the gas, step on the gas, step on the gas
Ugly nigga wanna...
Step on the gas
... nigga ain't got no gas
Step on the gas, step on the gas,
If you say he won't say put the best for less
Step on the gas.

I got my own my money, I got my own my money
I got my own crib, I got my own crib
I drive my own car, I drive my own car
Girl I'm machine, break it down now.
I get my own nails done, I get my own nails done,
I get my own hair... , I get my own hair...
I play my own bill, I play my own bill
Girl I'm machine.
Break it down now

I'm falling like george
You try to holla everybody...
... down if it's german than you're no I'm right
Everybody... big by the... big by the main box watch how
I land
I'm bad b*tch 'causen I'm... what I'm do
Louie on the bed, louie on the...
Got my own money, drive my own car
Got my own crib, girl I'ma smart

... smell something yeah I'm machine

I got my own my money, I got my own my money
I got my own crib, I got my own crib
I drive my own car, I drive my own car
Girl I'm machine, break it down now
