Tu bailas como una descarada
Pero a mi me encanta, dale descarada
Tu bailas como una descarada
Pero a mi me encanta, dale descarada

Turn that thing around
Turn that thing around
Turn that thing around
Get your ass up and dance

Say the same thing now and we gone tear
(Tear)
This thing
(Thing)
Down

Mami, drop
(Drop)
To the floor
Bring it, bring it, bring it back

Lick your lips, then
(Then)
Turn around

Mami in front of me tryin' to be a freak-a-leak
Mami in front of me bendin' over, how sweet
She showed me her hmm, I showed her my hmm
She like, "You crazy", I'm like, "You crazy"

Order
(Order)
'Nother
Round
(Round)
Of shots

You go
(Go)
Girl, go drop
(Drop)
Like it's hot

This just how we
(We)
Get
(Get)
Down
(Down)

And
(And)
It
(It)
Won't
(Won't)
Stop

Here we go again, hands high
Kill 'em with the flow again, hands high
Kill 'em with the flow again, there's no excuse
Get your ass up and dance

Tu bailas como una descarada
Pero a mi me encanta, dale descarada
Tu bailas como una descarada
Pero a mi me encanta, dale descarada
