(Chris Brown)

Baby, does he do it for you

When he's finished, does he step back, and adore you

I just gotta know, cause your time is money

And I wont let him waste it, ooh no no

Baby, just go with it

Cause you're with me, I can't explain it, it's just different

We can take it slow or act like you're my girl let's skip the basics, oh
woah

He's so replaceable

You're worth it, chase ya, put it on

It's alright, I'm not dangerous

When you're mine, I'll be generous

You're irreplaceable

A collectible, just like fine china

Baby, you're my favorite

It's like all the girls around me dont have faces

And I stay in ghost

Like this gentle game, I done now playing

He's so replaceable

You're worth it, chase ya, put it on

It's alright, I'm not dangerous

When you're mine, I'll be generous

You're irreplaceable

A collectible, just like fine china

It's alright, I'm not dangerous

When you're mine, I'll be generous

You're irreplaceable

A collectible, just like fine china

Give me a weapon, your love

Aint no a man of time, in this world

Save me a lot of time, and just love me

Deal it baby, deal it in your soul

Are you ready?

I know your heart being played, and you you belong
with me

It's alright, I'm not dangerous

When you're mine, I'll be generous

You're irreplaceable

A collectible, just like fine china
