We got the game on
Just come on and play with me

Freak is pumpin', five's accomplish
Sky is Eclipse, sunshine and only
Kiss our pray, and i hear them scream
We got the game on
Just come on and play with me

Are you wanted, is the failin'?
All we want, is the top of the fighting
Let them screaming, don't repeat em'.
Concentrate on your left, cause you need it

One two three, We're rock on the floor
Watching here you now, just to fake our zone
Get it you know,
Get it you know

We got the game on
Just come on and play with me
Just come on and play with me

Let them screaming, don't repeat em'
