Oh, yeah! We donâ€™t need no water,  
Let the mother fucker burn!  
The roof, the roof is on fire!  
I like to live it up, then party down town,  
You wanna give it up, girl,  
Ainâ€™t got a lot now!  
I like to live it up and party down town,  
You wanna give it up, girl,  
Ainâ€™t got a lot now!  
Chorus:  
I wanna see you get naked, naked!  
I wanna see you get naked, naked!  
Oh, oh! I wanna see you get naked, naked!  
Oh, oh! I wanna see you get naked, naked!  
I know what you want, baby girl donâ€™t play!  
A second thought maybe with a little lingerie.  
Get a little physical intend we  
Get down to the soundâ€¦  
Yeah! To the top and yeah go slow!  
And get a little crazy right at the window!  
Uhuu, baby! Te quiero a ti solo a mi lado!  
Te quiero a ti, ti, solo aquÃ¡ a mi lado!  
Te quiero a ti, ti, solo aquÃ¡ a mi lado!  
Yeah! Te quiero a ti, ti, solo aquÃ¡ a mi lado!  
Hey! Te quiero a ti, ti, solo aquÃ¡ a mi lado!  
I like to live it up and party down town,  
You wanna give it up, girl!  
I like to live it up and party down town,  
You wanna give it up, girl!  
Chorus:  
I wanna see you get naked, naked!  
I wanna see you get naked, naked!  
Oh, oh! I wanna see you get naked, naked!  
Oh, oh! I wanna see you get naked, naked!  
I really wanna know baby, baby  
If you ..down  
Like a .. young money, you donâ€™t play around!  
I really donâ€™t know where you want,  
..where you move,  
Really makes me think of a freaky dance to do with  
you!  
Baby isâ€¦!

Promise that you won't miss it,  
As a matter of fact, let's get realistic!  
You, you, me, me, her, her, us three  
Let's get specific, get logistic, promise that you  
don't wanna miss it,  
As a matter of fact, let's get realistic!  
Me, me, you, you, her, her, us three  
Oh, my girlfriend got a girlfriend, yeah!  
I love when they're kissing, yeah!  
Like a robber bank she pop, pop, pop it,  
When she get hot she's  
You wanna give it up, girl,  
Ain't got a lot now!  
I like to live it up and party down town,  
You wanna give it up, girl,  
Ain't got a lot now!  
Chorus:  
I wanna see you get naked, naked!  
I wanna see you get naked, naked!  
Oh, oh! I wanna see you get naked, naked!  
Oh, oh! I wanna see you get naked, naked!
