He's back to rip on this track
I'll rip any broad I don't care, white or black
He's back, if Pit's on da job
Then there's no need to worry
Dog, just hurry up and wait

'Cuz I ain't going nowhere anytime soon
Sick what these rappers wanna be?
That's me, times two now

Get ready for me to take over this game
I'm cutting da flow, like I'm cutting da cane
Things will never be da same, pause
There's a lick for 50 bricks now pause

And think about it then pause
Is it really worth it then pause, pause
Fuck yeah

I'm ready to go, jump in da ride
Get da mask, get da gloves
Cut off da lights, pop da gat
Run inside, fire'em up or tie'em up

But don't forget to pick up da prize
And upgrade the [Incomprehensible]
If they don't give up da pies now

I would hate to have to calm these boys down
'Cuz to be honest I can't, so pal
Why don't you just give us da keys and pounds
Now guess what he said?

Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait

Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait

I've been brought up
By street cats who didn't get caught up
Like that new Jack Nino Brown at da Carter
I'm da new Tony Montana
Only I'm just a little bit smarter

Ballers, be careful 'cuz those bullets that make y'all hot
Call us, just to let us know where y'all at and what y'all
got
All us, know how to take care of business
Know how to take care of snitches
Know how to take care of bitches
Know how to bag it up in ditches

Man, we're here to collect like Uncle Sam
And we don't give a fuck, we don't give a damn
But y'all don't want non, y'all don't want non
No, no, no, no, bang

We ain't playin' around, when we come through we
tearin' it down
When we come through we layin' 'em down
When we come through we sprayin' 'em out
You know you gotta put that "K" in his mouth
Get it later, wear it out, who ever put you onto the lick
Pay 'em out or pray 'em out

Now, I would hate to have to calm these boys down
'Cuz to be honest I can't, so pal
Why don't you just give us da keys and pounds
Now guess what he said

Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait

Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait

Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait

Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait

Y'all hurry up and wait, y'all hurry up and wait
