Give me a freak

Don't want no short dick man (ha ha ha ha)  
Don't want no short dick man (ha ha ha ha)  
Don't want no short dick man (ha ha ha ha)  
Don't want no short dick man (ha ha ha ha)

Give me a freaky boy, I'll make him sit and beg  
I'll put a chain around him, wrap him between my legs  
I like it bouncy bouncy, so throw me up and down  
Just give me more and thrill me, and turn my world  
around

Don't need a tiny sucker, I need a real boy  
Don't wanna stop it, stop it, just sit back and enjoy  
I like 'em thick and juicy, I like em nice and tall  
I'm such a bad ass chick, uh, you won't leave me at all

One two three four  
Uno dos tres cuatro

Give me a freak

6 to tha clock, on my way to the top uh  
Pit got it locked from brews to the locker  
All I.P uh, big and packer  
That he's not, but damn he's hot

Label flop but Pit won't stop  
Got her in the car, quit playin' with his, (como?)  
Watch him make a movie like Albert Hitchcock,

I know you want me

Give me a freak  
Give me a freak  
Give me a freak  
Give me a freak

One two three four  
Uno dos tres cuatro

Give me a freak

Mami got an ass like a donkey, with a monkey  
Look like King Kong, welcome to the crib  
305, that's what it is  
With a woman down here the s\*\*\* don't play games

They off the chain, and they let her do everything  
And anything, hit tha thing  
And they love to get it in, get it on her  
All night long

Give me a freaky boy, I'll make him sit and beg  
I'll put a chain around him, wrap him between my legs  
I like it bouncy bouncy, so throw me up and down  
Just give me more and thrill me, and turn my world  
around

Don't need a tiny sucker, I need a real boy  
Don't wanna stop it, stop it, just sit back and enjoy  
I like 'em thick and juicy, I like em nice and tall

Got her in the car, quit playin' with his, como?  
Watch him make a movie like Albert Hitchcock, ha

I know you want me

Give me a freak, give me a freaky boy  
Give me a freak, come on and be my toy  
Give me a freak, give me a freaky boy  
Give me a freak, something I can enjoy

One two three four  
Uno dos tres cuatro

Give me a freak

Give me a freak

Rumba, si  
Ella quiere su Rumba, como?  
Rumba, si  
Ella quiere su Rumba, como?

Rumba, si  
Ella quiere su Rumba, como?  
Rumba, si  
Ella quiere su Rumba, como?

Give me a freak
