[chorus]x2
I want you (I want you)
I need you (I need you)
Gotta have you (Have you)

[chorus]x2
I want you (I want you)
I need you (I need you)
Gotta have you (Have you)

Now let me tell you what I wanna do
I wanna touch you, kiss you, freak you, fuck you, lick
you, tease you, please you, suck you
I wanna (make you..)x4

I wanna li-li-li-lick you from your head to your toes
I wanna ... down down to the floor
I wanna ... til, til you explode
Baby don't you know that you're dealin with sort of pro?
And I love it when you rub it and play with yourself
I'm a nimfo and I love it baby there is nothing else
So ish me sunche that's me plus three
Voulez vous coucher avec moi oui, oui

I wanna touch you, kiss you, freak you, fuck you, lick
you, tease you, please you, suck you
I wanna (make you..)x4

It's the ... smokers clear
to make this play a sing
we got a pimp on the floor
feels like another hit
I wanna touch you down
Then I wanna .. hair
And do the things that your men wont do
Damn life just isn't fair

[chorus]x2
I want you (I want you)
I need you (I need you)
Gotta have you (Have you)

Now let me tell you what I wanna do
I wanna touch you, kiss you, freak you, fuck you, leak
you, tease you, please you, suck you
I wanna (make you..)x4
