I just wanna have fun baby
Do me a favor
Don't talk back
Think about it

I wanna have fun; play
Promise if you stay, stay
I'm a rock your world
I'm a rock your world
I'm a rock your world like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star

I'm the B to the A, A to the D, E to the S, S to the T
I'm the bad-est and my ass be the fattest
Them boys up the road beatin' off used to have this
Lavage, that's the way I live life
I'm a rabbit, when it comes to the ice
I love carrots, c-c-carrots, c-c-c-carrots, c-c-carrots
I'm in the back of the fan, actin' a fool
Your life fake, my life true
Designer dress, yes, shoes - Jimmy Choos
Handbag, check, with the mini 22
Boom!
What's happenin, this my life, y'all just rapping
Don't you understand? Ain't nothing change
I'm on top of the game, let's play

I wanna have fun; play
Promise if you stay, stay
I'm a rock your world
I'm a rock your world
I'm a rock your world like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star

Ice on her hand, hand on her hip

She with her man, blow's me a kiss
Oh baby girl, why you do me like this?
If I take you from him, then he will be pissed (be
pissed)
But I ain't even that type of dude, that type dude; I ain't
in that mood (that mood)
Cuz that's a whole other story line, I have to put you to
bed like a story time
I'm all about the paper I be on the grind;
If I want it then I'll get it cuz I go for mine
She giving all these looks, giving all these smiles, tryna
drive me wild
She, she, she, she know she got it
She, she, she, she needs to stop it
And when she walks she throw it,
She, she, she know it

I wanna have fun; play
Promise if you stay, stay
I'm a rock your world
I'm a rock your world
I'm a rock your world like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star

Girl when you move like that,
You make it all for me then I look bad
Lil mama, when you move like this
You making me wanna grab those hips
And baby girl, when you lick those lips
You make me wanna feel that kiss
And I know she knows it
And I know she knows it
And I confess had your boy wide open
Like the roof on a coop, I'm coasting
I can see us sitting by the ocean
But we gotta be able to keep me hoping
But I don't wanna rush it
Stay cool, cuz I don't need to touch it
But she want me, she know I know it
And I want her I know she knows it

I wanna have fun; play
Promise if you stay, stay
I'm a rock your world
I'm a rock your world
I'm a rock your world like a porno star
I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star

I'm a rock, rock, rock, rock, rock, rock, rock your world
like a porno star
