Money, ay, oh, ay, oh, ay, oh, wah  
Money, ay, oh, ay, oh, ay, oh, wah  
Money

I want, I need, I like to get  
Money, money, money, money  
I want, I need, I like to get  
Money, money, money, I like

Her right there and her friend over there, I like  
Her right there and her friend over there, I like  
Her right there and her friend over there, I like  
Her right there and her friend over there, I like

That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like

I'm Cuban, I'm good with the water, salt or the soda  
I've been raised on Valium, I'm beat  
Pera roba, gun shine state, Florida

Now hold up, you know what it is?  
What it ain't when them boys there roll up?  
Yeah, we got it sewed up  
We got a toe up from the floor up, now so what?

I want, I need, I like to get  
Money, money, money, money  
I want, I need, I like to get  
Money, money, money, I like

Her right there and her friend over there, I like  
Her right there and her friend over there, I like  
Her right there and her friend over there, I like  
Her right there and her friend over there, I like

That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like

My life, Vincent Van Gogh couldn't paint it  
And I love that you hate it  
I fuck 'em, you date 'em, I'm hotter than Satan  
Look partner just save it

I went from Opa Locka Boulevard to paradise  
Point Drive, that's right  
Now I walk in the club  
Look in dey eyes and tell 'em let's ride

I want, I need, I like to get  
Money, money, money, money  
I want, I need, I like to get  
Money, money, money, I like

Her right there and her friend over there, I like  
Her right there and her friend over there, I like  
Her right there and her friend over there, I like  
Her right there and her friend over there, I like

That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like  
That juice box wet, she keep that juice box juicy, I like

Ay, oh, ay, oh, ay, oh, wah, money  
Ay, oh, ay, oh, ay, oh, wah, money
