[Pitbull:]

To all these rappers I apologize  
I know it ain't fair,  
the only ball I drop  
New Years, Times Square  
The world is mine  
sixth sense  
I see seven signs  
now baby, let's get started for life

[SHAKIRA, Chorus:]

Everytime I look into your eyes (Mr Worldwide)  
I feel like I could stare in them for a lifetime  
we can get started for life (tonight)  
for life (tonight) for life  
we can get started for life (tonight)  
for life (tonight) for life  
we can get started

You know it feels right

[Pitbull:]

Big news, Pitbull  
Tom Cruise, Mumbai  
all lit up like a December night,  
like the 4th of July, Vanilla Sky  
Thrilla in Manilla  
Knockin em out like Pacquiao  
New Ali, new Frazier  
but for now it's off to Malaysia  
Two passports, three cities, two countries, one day  
Now that's worldwide  
if you think it's a game let's play  
Dale

[SHAKIRA, Chorus:]

Everytime I look into your eyes (Mr Worldwide)

I feel like I could stare in them for a lifetime

we can get started for life (tonight)

for life (tonight) for life

we can get started for life (tonight)

for life (tonight) for life

we can get started

You know it feels right

I am what they thought I'd never become,

I believed and became it

now I'm here to claim it

I hustle anything, you name it

I went from evictions to food stamps,

to back in work what dawn..

to a passport, flooded with stamps

now slowly, everywhere I land

Two passports, three cities, two countries, one day

Now that's worldwide

if you think it's a game let's play

Dale

Cause if it feels right

we shouldn't waste any more time

let's get it started, don't think about it

you know I'm gonna make alright, alright

Cause if it feels right

you know I've made up my mind

let's get it started, don't think about it

I know that we can make it alright alright

[Chorus:]

Don't start what you can't finish

you know it feels right

let's go!

you know it feels right
