[Pitbull:]

Mr.Worldwide, Jean Roch, RedOne, Dale  
Last time I shed a tier, was when my father died  
But now he's good up in the skies  
So I'm gonna make this song crack  
I see them haters looking at me  
Tryna indict my soul  
Tryna read me, tryna see what I know  
Haha but no

[Jean Roch:]

Feel the night  
I got no pain to share with you, all right  
Though we can share it, about to live your life  
Living along, just enjoy your life, enjoy your life  
Celebrate in the name of love  
Celebrate in the name of love

[Nayer:]

Never felt this good  
Don't you worry  
I'm feeling like I should, Ooh woah  
Never felt this good  
Don't you worry, Oh Oh Oh Oh Oh  
Never felt this good  
Don't you worry  
I'm feeling like I should, Ooh woah  
Never felt this good  
Don't you worry, Oh Oh Oh Oh Oh

[Pitbull:]

Cante y no llores, el amor es lleno dolores mami  
I want you to listen, don't hear me  
I want you respect me, don't fear me  
This life is crazy, baby  
Now I want you near me, help me  
Cuba, miami to paris  
Life is short, let's cherish  
I'ma kill this, make love to you  
With you and your girl on top of the terrace  
I'ma feel this, and since my father died  
Baby, I'm tearless, I see the future  
But I live for the moment  
Makes and astoments  
Time is money

I don't know about you, but I own it, Dale  
[Jean Roch:]  
Feel the vibe  
Now we can done it here, you soaked tonight  
Let's take it higher, fly the satellite  
No one can take away my inner life, inner life  
Celebrate in the name of love  
Celebrate in the name of love  
[Nayer:]  
Never felt this good  
Don't you worry  
I'm feeling like I should, Ooh woah  
Never felt this good  
Don't you worry, Oh Oh Oh Oh Oh  
Never felt this good  
Don't you worry  
I'm feeling like I should, Ooh woah  
Never felt this good  
Don't you worry, Oh Oh Oh Oh Oh  
Never felt this good  
Don't you worry  
I'm feeling like I should, Ooh woah  
Never felt this good  
Don't you worry, Oh Oh Oh Oh Oh  
Never felt this good  
Don't you worry  
I'm feeling like I should, Ooh woah  
Never felt this good  
Don't you worry, Oh Oh Oh Oh Oh
