Chorus:

Just an ordinary girl inside my head
Can't help thinking about all the things she said
She said good girls are just like bad girls
If she's a bad girl, then makes her a good girl!
Just an ordinary girl inside my
head!

I'm in the club, in love with this girl that's been dancing
for me
I know she likes, cause she tells me she don't want my
money
I think she's special, yow, I'm certain she's got what I
need
She ain't the girl next door, but she's perfect for me!
Cause the way she moves, the way she smells, the way
she feels I can tell itâ€¦
..get out of this shit
Baby never look back, I don't care about the past
Yeah I know about life, what to do with the bad
Must toâ€¦ turn right when the day needs right

Chorus:

Just an ordinary girl inside my head
Can't help thinking about all the things she said
She said good girls are just like bad girls
If she's a bad girl, then makes her a good girl!
Just an ordinary girl inside my head!

Man, I went crazy when she hit the floor
â€¦everyone wants to know
Who she is, because she want new, new in town
And you can tell by the way she dance, she can put it
down
And at this point I'm just fantasizing with this girl now
And my mind is playing tricks on me
Is ay my mindâ€¦.

Chorus:

Just an ordinary girl inside my head
Can't help thinking about all the things she said
She said good girls are just like bad girls

If she's a bad girl, then makes her a good girl!
Just an ordinary girl inside my head!

Just an ordinary girl inside my head
Can't help thinking about all the things she said
She said good girls are just like bad girls
If she's a bad girl, then makes her a good girl!
Just an ordinary girl inside my head!
