I want everybody to stop what they're doing.
Now if you know you're with somebody you're gonna
take the hotel room tonight, make some noise...
Meet me at the hotel room [x4]

Forget about your boyfriend and meet me at the hotel
room, you can bring your girlfriends and meet me at
the hotel room. [x2]
We at the hotel, motel, holiday inn. [x4]

She like that freaky stuff
Two and the O, 1 in the eye,
that kinky stuff, you nasty,
but I like your type
and like T.I. its whatever you like.
Bring your girls,
its whatever tonight,
your man just left,
i'm the plumber tonight,
I check your pipes,
oh, you're the healthy type.
Well, here goes some egg whites.
Now gimme that sweet, that nasty gucci stuff,
let me tell you what we gon' do.
2 + 2, i'm gonna undress you.
Then we're gonna go 3 and 3 you gonna undress me.
Then we're gonna go 4 and 4,
We gon' freak some more, but first!

Forget about your boyfriend and meet me at the hotel
room, you can bring your girlfriends and meet me at
the hotel room. [x2]
We at the hotel, motel, holiday inn. [x4]

After party in hotel lobby,
then we off to the room like vrooom,
Put them fingers in yo mouth or open up yo blouse,
and pull that g-sting down south (ouhh)
OK shawty, 1's company, 2's a crowd, and 3's a party.
if your girl ain't with it, I got somebody,
and by nature she's naughty.
Now gimme that sweet, that nasty gucci stuff.

Lemmi' tell you what we gon' do,
2 + 2, i'm gon' undress you.
Then we gonna go 3 and 3, you gon' undress me.

Then we gonna go 4 and 4, we gon' freak some more!
But first...

Forget about your boyfriend and meet me at the hotel
room, you can bring your girlfriends and meet me at
the hotel room. [x2]
We at the hotel, motel, holiday inn. [x4]
