Jump in the line, shake your body on mine

With no religion, make them believers

Once catch a...catch me in Cuba
Senorita, sh-sh-sh-shake it
Que la dejo mojadita

Mal hablado y fresco
Dame duro mamita, dame lento

Shake, shake, shake senora
Shake it left and right
Work, work, work senora
Right into my right

Luda!
Hey mamacita, tu es muy bonita
Hotter than lava, shake it like two maracas
Bend down and touch your toes
Then hop inside this custom rolls
Two shots of tequila, manos pa' arriba
Now bring it back
Bring it till you put it right inside my lap
Make it clap, drop it low
The mamies call me papa dough
Too much dough, too much cash
I cant think straight with all this ass
I gotta lighten up like sammy sosa
And live la vida loca!

Oye shawty whats hapnin
Girl let's get this thing crackin
You just bend it on over,
I'll get behind and you can get wild

Jump in the line, shake your body on mine
Jump in the line, shake your body on mine
