Who do you think are acting like fool,
Super star movie star breaking all the rules
Beautiful wonderful living just a lie hit the road leave
The sound you said you'd be shame I don't need you
anymore
Go ahead and shut the door don't wanna see your face
nomore
Tell what you're waiting for
... my way to the top... for the locked up
All I see is... but damn she is hot
More... but this won't stop got more in the...
Make a movie like
I know you want me
You know I want you
I know you want me
You know I want you
I know you want me
You know I want you
I know you want me
You know I want you
