"Shut It Down"

Visit "[Shut It Down](#)" on [MotoLyrics.com](#)

Mr. 305

I want everybody (Akon)

To get down 'cause we about to shut down

Ooooh, oh, oh

Can't tell me nothing now

Baby I know how to fly (fly)

Ooooh, oh, oh

Can't nothing hold me down

I'm gonna touch the sky (sky)

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh

Can't nothing hold me down

Can't nothing hold me down

Can't nothing hold me down

Now watch me, now watch me

Now watch me shut this thing down (down)

Sube, sube, hasta las nubes,

Para adelante, no mires patrÃas

I hit the jack pot

Ch-ch-ch-ch-ch-ch-ch-ching

Real chicos do real things

On the road to riches

And diamond rings

Moved up from the streets

Graduated hustla'

On his way to an entrepreneur

Undefeated, done shooter

Now baby save me

From the game

Before replacement

My life's a movie

Call me Martin Scorsese

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh

I can get less

If you love me or hate me

Life's a bitch, now fuck you, pay me

Sube, sube, hasta las nubes,
Para adelante, no mires patrÃas

Ooooh, oh, oh
Can't tell me nothing now
Baby I know how to fly (fly)

Ooooh, oh, oh
Can't nothing hold me down
I'm gonna touch the sky (sky)

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh (2x)

Lose my mind honey
Now pay me what's you own me
Mom is a hurricane
You should see the way she blow me
I don't make it rain
I speak that global warming
This ain't no biggy ready to dance
That number five there is no warning

Now baby save me
From the game
Before replacement
My life's a movie
Call me Martin Scorsese

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
I can get less
If you love me or hate me
Life's a bitch, now fuck you, pay me

Sube, sube, hasta las nubes,
Para adelante, no mires pa'trÃas

Ooooh, oh, oh
Can't nothing hold me down
I'm gonna touch the sky (sky)

Ooooh, oh, oh
Can't tell me nothing now
Baby I know how to fly (fly)

Ooooh, oh, oh
Can't nothing hold me down
I'm gonna touch the sky (sky)

Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh (2x)

Can't nothing (nothin) hold me down (down)
Can't nothing (nothin) hold me down (down)
Can't nothing (nothin) hold me down (down)
Now watch me, Now watch me
Shut this thing down (down)

It's my life,
Ima do what I do
And if you don't like it,
It's cool, Fuck You
