(feat. Stevie B)

From the minute that I seen ya  
I was sweatin' ya like a freshman does a senior  
I couldn't even sleep  
Waitin' for the next day  
Just to see ya  
Girl just to see ya  
When you walked by, my heart  
Skipped a beat Like a scratched cd  
I was knee deep  
And them four letters  
L O V E sprung on spring love  
Damn she got me

This that new millennium spring love  
With Stevie B the originator  
Pitbull the innovator  
This for all the spring breakers out there  
In Cancun, Cabo, Rosarito Beach, Daytona Beach,  
Panama City  
This dedicated to y'all (you know what it is)  
Go ahead and enjoy spring break, spring love  
Stevie B holla at em

[Stevie B:]

I remember when we first started  
You came to me and you were broken hearted  
I took you in and wiped all your tears away  
I gave you loving more than any other gave  
Don't you know I'm the one and I love you girl  
I don't care what they say you know you are my world  
Come back home to the one  
Who loves you more and more  
Soon you'll see that it was me you were searchin' for

Spring love, come back to me  
Spring love, come back to me  
I need you and I want you baby

[Pitbull:]

I remember when I seen you in the club

In that dress in them heels  
You was dressed to kill  
With that ????? only got sex appeal  
I was feeling like i was on X fa real  
Those lips  
Those eyes  
Those hips  
Those thighs  
Got me hypnotized Im sprung on spring love  
Damn she got me

[Stevie B:]

I can remember the first time we ever met  
The sun was shining  
Love was gleaming in the air  
You caught my eye and the next thing that I knew  
I was in love - I was so in love with you  
We were so close for a season of my life  
I wanted so much to have you for my wife  
But something changed  
Season came to an end  
I had to leave you  
And thats where my heartache began

Spring love, Come back to me  
Spring love, Come back to me  
I need you and i want you baby

[Pitbull:]

So we finally met  
Had a couplpe of shots at the bar  
And from there we went (where?)  
To the dance floor spring break spring love  
We were sprung and thats fo damn sho  
Its the last night  
So you know that im feeling like a bass head  
With a glass pipe  
Went back to the [ho]tel and beat it up  
Damn im sprung on spring love

Spring love, Come back to me  
Spring love, Come back to me
