Stop actin' like you won't when you will
Stop actin' like you ain't what you is
Girl, I'mma give you what you need
Now tell me what it is?

Stop actin' like you won't when you will
Stop actin' like you ain't what you is
Girl, I'mma give you what you need
Now tell me what it is?

I can see it in your eyes
I can see it in your face
It's in your blood, you promiscuous
Girl bring your friends
(Friends)

2, 3, 4, 5
Matter fact bring 10
We can go all out
We could go all night
We could do all the things
That you like

'Cause Pitty do the things
That your man won't
Pitty do the things
That your man don't

Turn around
(Woot, woot)
Pull over that

Move back
(Woot, woot)

It's over
This sheet goes back
Lil Jon on the track
And we swingin' like

Ahora toda la mujeres solteras
Pon las manos parriva que esperas
(Hey)
Dale

Ahora toda la mujeres solteras
Pon las manos parriva que esperas
(Hey)
Dale

Caco e maco salta cocote
Caco e maco salta cocote
Caco e maco salta cocote

Hit 'em with the hook now

A que no se le olvida
(Hey, hey)
Dale loquita
(Hey, hey)

Stop actin' like you won't when you will
Stop actin' like you ain't what you is
You a freak, I'm a freak
Now tell me for real, what's the deal

Are you ready for whatever, c'mon, baby
You gone [?], I'mma [?]

Everybody on the atlas knows
You can see Pit with a bare one

Everywhere you go

No flaws, no stuntin'
No chains, no rims
No money, no pimps
That's right

I'mma show you how chico do
Permiso mami
Como anda yo soy Armando
Es un placer en conocerte
Ojala mas tarde puedo verte

Toda la mujeres solteras
Pon las manos parriva que esperas
(Hey)
Dale
