[Intro]

Mr. Worldwide I'm self-made, I'm self-paid
I grew up with no daddy, I'm from Miami Dade
I'm self-made, I'm self-paid
I grew up with no daddy, I'm from Miami Dade

[Verse 1]

Mouth signed check, ass can't cash
One-time LeBron boss, D-Wade flash
Can't forget that boy UD, Udonis Has
I'm from Miami Dade Country, born and raised
there
Mouth full of gold and diamonds, but talk is cheap
There's rules and codes, in Dade County streets
Y'all break rules and codes to talk shit on beats
Don't think he won't get me, he done,
Miami I'll bring the heat

[Hook]

I'm self-made, I'm self-paid
I grew up with no daddy, I'm from Miami Dade
I'm self-made, I'm self-paid
I grew up with no daddy, I'm from Miami Dade
Welcome to Dade County!
Welcome to, welcome to Dade County
Welcome to, welcome to Dade County
Welcome to, welcome to Dade County

[Verse 2]

Here a deposition, watch what you speak
Who's the definition of Miami? Me
I move cultures, don't believe me I watch and
see
Ask Barack Obama, he'll bet the White House on
me
You got money, yeah I yeah, that's sweet
But we are no slimmin', baby, really eat
You talk Miami, if you talkin' heat
Moral of the story: don't shit where you eat

[Hook]

[Outro]

I had to do this for my city, dog

It's something I love so deeply

I don't wanna be 305 Miami Dade Country

I am 305 Miami Dade Country

I bleed 305 Miami Dade Country

So when we show love to those

That get their city destroyed by a hurricane

And then they come down here

(Spanish dialogue)
