Complications, I get what you need.
I said degradation, could you slip to your knees?
"Stop the game, stop game" that's all we did, that's all
we said.
Could you know that we never show the . . . (2x)

Don't bother sending your condescension,
If it's easier to keep pretending. (2x)

Isolation, I stick to the scene
I said deviation's not as fun as it seems
"Not the same, Not the same" that's all you said, that's
all you did
Could you know that we never go for. . .

Don't bother sending your condescension,
If it's easier to keep pretending. (2x)

It's not that complicated.
We're not that deviated.
It's not that complicated.

Don't bother sending your condescension,
If it's easier to keep pretending. (4x)
