I don't care what you do.  
Production/destruction, it's nothing new.  
And i don't care what you say, to die for/to buy for, it's  
all the same.  
I don't care if it's 'new and improved' i said i don't like  
it.  
I don't care if it's 'life-time guaranteed.'  
I don't like it.  
I don't care what you say.  
I don't care what you say.  
I don't care what you do.  
I don't like it.  
Just get in line 'cause it won't be long.  
Don't waste my time 'cause there's nothing wrong.  
No need to fight, misunderstood, 'cause you're wrong  
and i'm right (and i  
Knew you would).
