Twenty three murders, fifteen more thinkÂ´s the
police,
Twenty three victims, no one found in one piece,
Young, beautiful women killed by a psychopath,
Raped, bitten, strangled, butchered, killed in the bath,

GUILTY - After seven hours,
LONELY - In the prison towers,
GUILTY - After 23 slays,
THURSDAY IS FRYDAY,

Forty women, all had long dark hair,
Met a charming man, and followed him to his lair,
Several bodies were found in the same place,
Bitten in the throat and demolished face,

Fourteenth of July 1974,
He got arrested for what he had done before,
07.16 24 of July,
They pulled the switch, and Bundy was fried,
