Perfect, your pictures, your lies.  
Promises can't reason can't hide.  
On and on(keep moving keep tight).  
Cheated, I've seen it I know .  
Beaten keep moving keep slow.

I feel so; whiteout, it's beaten, wasted, no, no.

Option? No option I know.  
Twisted can't function feels slow.  
On and on(keep moving keep tight).  
Cheated, I've seen it I know.  
Beaten keep moving keep slow.  
I feel so; whiteout, it's beaten, wasted, no, no.

Cheated (you're cheated) I know, I know .  
Beaten (I feel It) feels so, feels so.

I feel so; whiteout, it's beaten, wasted, no, no.
