Â'Â'Shades of greyÂ'Â'

Up in your flight,
IÂ'll jump youÂ're match high.
Tangerine,
You never saw the beauty of your rearing lights.
A pity you were never seen,
In all your might.

Grace upon your face,
Brightens me
From shades of grey.

[Chorus:]
For you tangerine
WeÂ'll keep your laughter, love and tears
And turn them into souvenirs.
Tangerine[x2]
ItÂ's all you see,
You never saw the brightness of your city lights.
We looked upon your gorgeous future bright.

Grace upon your face,
Brightens me
From shades of grey.

[Chorus:]
For you tangerine
WeÂ'll keep your laughter, love and tears
And turn them into souvenirs.
Tangerine[x2]

But I can go on.[x4]
