Yeah so I'm thinking back to,
The time we spent together and I,
Yeah we said we could have one day.

And if I had a chance would,
Would it be now or never,
Could I just find something to say?

Yeah I know,
Your right to,
To want to,
See you today,
Your right to,
To hold in the feelings I don't feel to say.

Your right to,
To feel things,
Thats trapped inside.
A right to,
To hold on to memories hid inside my heart.

And I, I never will forget,
You know its true,
You know its true.

You where there from day one,
But now you're gone and so I'm,
I'm so confused on what life means.

I think back and I ponder,
The dreams of tomorrow and,
I find my thoughts on yesterday.

Yeah I know,
Your right to,
To want to,
See you today.
Your right to,
To hold in the feelings I don't feel to say.

Your right to,
To feel things,

That's trapped inside.
A right to,
To hold onto memories hid inside my heart.

And I, I never will forget,
You know it's true.

I can be myself now,
Or I can think about it,
And realize things won't be the same.

But I can't do that so I,
Stand up and fight forever,
If I get better things this way.

I ponder if you where here,
It might not be forever,
It might just be one minute more, that we have...

A right to,
To want to,
See you today.
A right to ,
To hold in the feelings I don't feel to say.

Your right to,
To feel things,
That's trapped inside.
Your right to,
To hold on to memories hid inside my mind.

And I, I never will forget,
You know it's true,
I'll never forget you...
