I got a call yesterday,
from some fella who said they was stuck.
Something 'bout a birthday.
And it's all about Chris Moyles.
Said they'd send me a car,
and it wasn't that far from my house.
But it's a little bizarre.
And it's all about Chris Moyles.

Now the party's alive, everybody is here.
Still early in the morning, so we're not drinking beer.
It's a very happy birthday to someone we call 'dear'.
It's all about Chris Moyles.
And we'll be dancing and singing and climbing up on
the tables;
We'll be rocking this party for the DJ call Chris.
Says that he's 24 though I'm really not sure.
It's all about Chris Moyles.

So happy birthday to Chris,
I could never have missed his big day.
And your producers did this.
And it's all about Chris Moyles.
Said they needed a song,
I knew I'd come along and they'd ask.
They said it wouldn't take long.
And it's all about Chris Moyles.

And we'll be dancing and singing and climbing up on
the tables;
We'll be rocking this party for the DJ call Chris.
Says that he's 24 though I'm really not sure.
It's all about Chris Moyles.
