BE YOUNG, BE FOOLISH, BUT BE HAPPY x2

Don't let the rain get you down, it's a waste of time.
Have your fun everyday, in the bright sunshine.
It's the same old story, all over the world.
Girl meets boy, boy meets girl.

BE YOUNG, BE FOOLISH, BUT BE HAPPY x2

Live your life for today, don't let your love, love slip
away.
Don't let the rain get you down, it's a waste of time.
Reach for the sky, touch the stars.
Then you'll find your dreams.
It's a shame dreaming alone and deep,
but if you got love that's all you need.

BE YOUNG, BE FOOLISH, BUT BE HAPPY x6
