[Marty James]

You know i'm tryna make this happen for us right now,
I gotta do what I gotta do, me and you.

Ooh-Mmmm

Hey, hey, hey.

Remember we we're living like kings & queens,
in a little tiny castle made of hopes and dreams.
It was destiny, meant to be, so complete, the perfect
team.

But suddenly there's a glitch in the system,
between us there's a big strip of distance.

They say it's supposed to make the heart grow fonder,
from all I can tell they couldn't be wronger.

A little bit more goes a long way

[A little bit of right goes the wrong way]

I keep giving you keep playing

[I'm tryna make a living, be patient]

I just don't know where to go,
so I'm DANCING ON MY OWN.

I've been waiting way too long,

DANCING ON MY OWN.

Play one more (come on)

song (come back)

song on my own i'm coming

Play one more (home)

song (home)

song (home)

on my own i'm coming home

[Marty James]

Listen I don't want you dancing by yourself,
and I don't want picturing yourself with someone else.

I know I made some promises and honestly I wanted
this to work out.

I didn't know the shining star I found was 'bout to burn
out.

So what now we're going round like a record,
I'm feeling disconnected and you're feeling
disrespected.

I don't know how this gone wrap up,
'til I'm home you should turn this track up.

And that's all I get from you but I give my all to you
[And that's all I hear from you]

I just don't know where to go, (know where to go, she
can't go)
so I'm DANCING ON MY OWN. (dancing, come on girl)
I've been waiting way too long, (I don't want you
dancing all night)
DANCING ON MY OWN. (on my own)
Play one more (come on play one more song)
song (come back, one more song)
song on my own i'm coming (on my own i'm coming)
Play one more (home, song)
song (home, song)
song (home, song)
on my own i'm coming home

I always think about it try not to think about it
I always dream about, try not to dream about it.
I'm feeling so lost without her,
I, I, I, I, I try to control it.
and it's so hard being out on my own,
it breaks my heart to leave you alone.

I just don't know where to go, (know where to go, she
can't go)
so I'm DANCING ON MY OWN. (dancing, come on girl)
I've been waiting way too long, (I don't want you
dancing all night)
DANCING ON MY OWN. (on my own)
Play one more (come on play one more song)
song (come back, one more song)
song on my own i'm coming (on my own i'm coming)
Play one more (home, song)
song (home, song)
song (home, song)
on my own i'm coming home
