I'll be the lights and soul of the party  
Follow the swarm of the bee's to the honey  
You'll find me strutting the club like a pony  
& I'm not missing your love  
I'm not not missing your love  
I'm stronger since September  
& it's a fact I'm feeling better than ever  
You were a let down from what I remember  
& I'm not missing your love  
I'm not not missing your love

We gon' keep on dancing, out on the floor  
We gon' keep on drinking, give me one more  
Mojito, let's go, barman stack em' in a row

I don't need to attract a guy  
To make me feel alive inside  
It's clear to see I'm Doing Fine,  
Without You,  
The girls are goin out tonight  
Get blinded by the city lights,  
Everythin's gon' be alright,  
Without you, without you, without you, without you,  
without you.  
Ahahahahah, Ahahahahah, Ahahahahah!  
Ooh Ooh oh oh

Yes it's you that's headin for a breakdown,  
And I'm sorry sorry's not any use now!  
Cause you're the best thing I can do without,  
Cause I'm not missing your love,  
I'm not-not missing your love!  
I can smell the roses, the sun has come out,  
I'm comin into focus, look at me now!  
Zambuca at the bar, laser fire in my heart!

I don't need to attract a guy  
To make me feel alive inside  
It's clear to see I'm Doing Fine,  
Without You,  
The girls are goin out tonight  
Get blinded by the city lights,

Everythin's gon' be alright,  
Without you, without you, without you, without you,  
without you.  
Ahahahahah, Ahahahahah, Ahahahahah!  
Ooh Ooh oh oh

I never felt so care-free,  
I never felt so naugh-ty!  
Bein single isn't lonely,  
Raise a lighter if you're with me!

Mojito, let's go, barman stack em' in a row

I don't need to attract a guy  
To make me feel alive inside  
It's clear to see I'm Doing Fine,  
Without You,  
The girls are goin out tonight  
Get blinded by the city lights,  
...Everythin's gon' be alright,  
Without you, Without you, Without you, Without you,  
Without you,  
Without you, Without you, Without you,  
Without You
