Corazon de diablo siempre me intentas rebajar,
Con las cosas que haces
Y las palabras que difundes contra mi.

Corazon de diablo seguiras enga?adome,
Con tu falsa sonrisa
Y tus canciones de sirena,
Sonriendo enga?ando, coqueteas conmigo hasta que
no hay esperanza,
Respondiendo degradando, de rodillas intento
agradarte.
Pero te quiero sin embargo y te deseo piedad,
A mi lado y veras lo que significas para mi.

Corazon de diablo siempre me intentas rebajar,
Con las cosas que haces
Y las palabras que difundes contra mi, sobre mi.

Corazon de diablo siempre me intentas rebajar,
Con las cosas que haces
Y las palabras que difundes contra mi,sobre mi.

Que harias sin mi,sonriendo,enga?ando,
Coqueteas conmigo hasta que no hay esperanza.

Translation

Evil hearted you, you always try to lower me,
With the things that you do and the words you spread
against me.

Evil hearted you, you will keep deceiving me,
With your false smile and your mermaid songs,
Smiling,deceiving,you flirt with me 'till there is no hope,
Responding degrading, on my knees I try to befriend
you.
But I love you anyway and I wish you pity,
Beside me and you'll see what you mean to me.

Evil hearted you, you always try to lower me,
With the things that you do

And the words you spread against me, over me.

Evil hearted you, you always try to lower me,
With the things that you do
And the words you spread against me, over me.

What would you do without me, smiling, deceiving.
You flirt with me 'till there's no hope
