Watching the world float on by  
I can say I'm alright  
Watching the sun light the moon  
As the day turns to night

And he says  
"Don't you know I love you,  
Don't you know you're beautiful"

He says  
"Everyday is special,  
You have made me believe"

Hold me in your arms  
'Cause I'm falling  
Hold me in your arms  
While we're sleeping  
Hold me in your arms

Dreaming of soft cotton clouds  
I feel close to you now  
Dreaming of candy and chocolate  
All the bad girls not allowed

And he says as he thinks I'm sleeping  
He whispers "Girl, you are the one,  
Never thought I could feel this way,  
Girl, you made me believe"

Hold me in your arms  
'Cause I'm falling  
Hold me in your arms  
While we're sleeping  
Hold me in your arms

Though I'm a little scared  
That all the times we shared  
Almost too perfect to ever last

And when I'm lying here  
And you are holding me  
I know the fear in me will pass

Hold me

Hold me in your arms  
'Cause I'm falling  
Hold me in your arms  
While we're sleeping  
Hold me, hold me  
Hold me in your arms

Hold me in your arms  
'Cause I'm falling  
Hold me in your arms  
While we're sleeping  
Hold me, hold me, hold me in your arms
