Last night, she said:  
"Oh, baby, I feel so down.  
Oh it turns me off,  
When I feel left out"

So I walked out:  
"Oh, baby, don't care no more  
I know this for sure,  
I'm walkin' out that door"

Well, I've been in town for just about fifteen minutes  
now  
And Baby, I feel so down  
And I don't know why  
I keep walkin' for miles

See, people they don't understand  
No, girlfriends, they can't understand  
Your Grandsons, they won't understand  
On top of this, I ain't ever gonna understand...

Last night, she said:  
"Oh, baby, don't feel so down.  
Oh, it turns me off,  
When I feel left out"

So I, I turn 'round:  
"Oh, baby, gonna be alright"  
It was a great big lie  
'Cause I left that night, yeah

Oh, people they don't understand  
No, girlfriends, they won't understand  
Your grandsons, they won't understand  
And me, I ain't ever gonna understand...

Last night, she said:  
"Oh, baby, I feel so down.  
See, it turns me off,  
When I feel left out"

So I, I turn 'round:

"Oh, little girl, I don't care no more.  
I know this for sure,  
I'm walking out that door," yeah
