Dentro las piñones y las olas ríquenas  
Oh my golly! oh my golly!  
Caminamos bajo la luna caribe  
Oh my golly! oh my golly!  
Besando, chichando con surfer rosa  
Oh my golly! oh my golly!  
Huesped de su manera  
Oh my golly! oh my golly!

Rosa, oh oh ooh rosa!  
Rosa, oh oh ooh rosa!

Yo soy playero pero no hay playa  
Oh my golly! oh my golly!  
Bien perdido por la surfer rosa  
Oh my golly! oh my golly!  
La vida total es un porqueria, porqueria  
Oh my golly! oh my golly!  
Hecho de menos mas que vida  
Oh my golly! oh my golly!

Rosa, oh oh ooh rosa! huh huh  
Rosa, oh oh ooh rosa! huh huh

#### Translation

Between pine seeds and puertorican waves  
Walkin under the caribbean moon  
Kissing and chewing with surfer rosa  
Guest of her ways  
Rosa, oh oh ooh rosa  
I'm a beachgoer but there is no beach  
Totally crazy for my surfer rosa  
All of life is a pigstay, pigstay  
I long (for her) more than my for life
