You never got time you are rushing
You've been sending a mail like is all your fault
 Baby you drive me crazy
 Like you are so lazy
Don't back it but I put up with it
 Need you to change
Oh baby cause you hurt so good
 No baby cause you hurt
 And I love to love you
 Love to love you
This a thing I know making up [?]
 That's the thing I love
 You will be giving me [?]
 What I need
 You are so good
 I cannot believe I
And I will never get down
 Baby that's because
 That's the thing I love
That's the only thing I love
 That's the thing I love
That's the only thing I love

You are taking me out you are always back late
You better be watching cause I love you baby
 The less you give [?] the more I want to [?]
 I don't like it but I put up with it
 Need this thing to say
Oh baby cause you hurt so good
 No baby cause you hurt
 And I love to love you
 Love to love you
This a thing I know making up [?]
 That's the thing I love
 You will be giving me [?]
 What I need
 You are so good
 I cannot believe I
And I will never get down
 Baby that's because
 That's the thing I love
That's the only thing I love
 That's the thing I love
That's the only thing I love
