Wooo-oh-oh

Woke up with a feeling that got me up on the ceiling,
And you're not gonna, not gonna knock me down.
I wanna go where the sun shines, I wanna roll with the
good times.
and you're not gonna, not gonna get me down.

So keep saying - what you say is gonna make me
stronger anyway?
oh-oh, u-u-uh-oh
You say i'm not good enough it just keeps me coming
to the top.
oh-oh, u-u-uh-oh
No, no, no, no you're...

Never gonna bring me down,
Gonna keep on dancing, till the sun comes out.
Nothings gonna swing me round,
not gonna wait for no one, can't stop me now.
The worst of it's over, cos it don't work.
Nothing's gonna bring me down,
Gonna keep on dancing, TILL THE SUN COMES OUT.

So I need to act like I don't because the truth is I don't
care.
I'ma keep, I'ma keep on keeping on.
Ever since I got older I got the weight off my shoulders.
I'ma keep, I'ma keep proving you wrong.

So keep saying - what you say is gonna make me
stronger anyway?
oh-oh, u-u-uh-oh (anyway)
You say i'm not good enough it just keeps me coming
to the top.
oh-oh, u-u-uh-oh (top)
No, no, no, no you're...

Never gonna bring me down,
Gonna keep on dancing,
till the sun comes out. (dancing)

Nothing's gonna swing me round,
not gonna wait for no one,
can't stop me now. (no one)
The worst of it's over, cos it don't work.
Nothing's gonna bring me down,
Gonna keep on dancing,
TILL THE SUN COMES OUT.

Keep dancing, keep dancing
til the sun comes out. x2
Keep dancing, keep dancing
til the sun, til the sun.
Keep dancing, keep dancing,
wo-oh-oh.

Never gonna bring me down,
Gonna keep on dancing,
till the sun comes out.
Nothing's gonna swing me round,
not gonna wait for no one, (woo)
can't stop me now. (wo-oh-oh)
The worst of it's over, cos it don't work. (over, don't
work)
Nothing's gonna bring me down, (down)
Gonna keep on dancing,
TILL THE SUN COMES OUT.

Keep dancing;
wo-oh-oh
Gonna keep on dancing, TILL THE SUN COMES OUT.
