This is a song about a superhero named tony  
It's called tony's theme

He's got the oil on his chain, for a ride in the rain  
No baloney  
Ride around on my bicycle like a pony  
I'm waving hi, hi, hi, hi, hi  
Gu-gu-gu-gimme a scream  
Give me, give me the theme  
Of tony

To-ny, to-ny, to-ny, to-ny, to-ny

I am tony, super bicycle tony, I'm racing  
Spitfire turn and pop a wheelie, burn and evil chasing  
I'm waving bye, bye, bye, bye, bye  
I got a card in my spokes  
I'm practicing my joke, I'm learning

To-ny, to-ny, to-ny, to-ny, to-ny

This is a song about a superhero named tony  
It's called tony's theme

I can look at the sun if you give me some bad sun  
glasses  
I'm back on the road, I cut my grass like I'm told  
After classes!

To-ny, to-ny, to-ny, to-ny, to-ny  
To-ny, to-ny, to-ny, to-ny, to-ny  
To-ny
