Oh oh, hmm no

It feels like Im flying

But it feels like Im lost

I'mma keep holding

Yes, I'mma keep holding on

Cause I know it's worth trying

And I hope that we're strong

So I'mma keep holding on

Yes, I'mma keep holding on

Yeah

Spinning out in a new direction

All I want is to find protection

Can someone help me now?

Tell me how we're gonna work it out when

We're two shooting stars

Heading for the wrong planets

And it's ok, it's ok, yeah

These two beating hearts

Have gotta find their own way

And it's ok, it's ok, babe

Ok, it's ok, yeah

Ok, it's ok, yeah

You know you're always gonna be someone's baby,
yeah

Ok, it's ok, yeah

Ok, it's ok, yeah

And no matter what you know I'll always be there

When the world just keeps turning

And your heart can't keep up

People move along

Yes, people move along

And I gotta stop this burning

I gotta turn it off

Cause I can't keep holding on

No, I can't keep holding on

Yeah

Never thought that we'd move apart

Never thought it would be this hard

But would you look at us now

Finally we're figuring out that

We're two shooting stars

Heading for the wrong planets

And it's ok, it's ok, yeah

These two beating hearts

Have gotta find their own way

And it's ok, it's ok, babe

The pain in your eyes

No I can't deny still hurts me

But we got to be strong

We got to move on

This is not where we belong

When you know it inside

It's the time, it's the time for goodbyes

I know it's hard

We're two shooting stars

Heading for the wrong planets

And it's ok, it's ok, yeah

These two beating hearts

Have gotta find their own way

And it's ok, it's ok, babe

We're two shooting stars

Heading for the wrong planets

And it's ok, it's ok, yeah

These two beating hearts

Have gotta find their own way

And it's ok, it's ok, babe

Ok, it's ok, yeah

Ok, it's ok, yeah

Theres gotta be a reason why we came together

Ok, it's ok, yeah

Ok, it's ok, yeah

Theres gotta be a reason why its not forever
