Oh whooaa oh oww [2x]

I've been roaming around
Always looking down at all I see
Painted faces fill the places I can't reach
You know that I could use somebody yeah
You know that I could use somebody yeah

Someone like you and all you know and how you speak
Countless lovers undercover of the street
I know that I could use somebody yeah
You know that I could use somebody yeah

Someone like you whoaa ow whoaa ow whooaa [2x]

Off in the night while you live it up
I'm off to sleep

Waging wars to shake the poet and the street yeah
I hope it's gonna make you notice yeaah
I hope it's gonna make you notice yeah

Someone like me ohh whooaa oh
Someone like me ooh whoaaa whoow whoa

I'm ready now [6x]

whoaa ow whoaa ow whooaa

Someone like you (high note)
You know that I could use somebody yeeaaah
You know that I could use somebody yeaah
whoaa oh

I've been roaming around
I was looking down at all I see.
