Baby baby ba-by  
Didn't believe in love at all  
Went through my days with a wall in place  
Baby baby ba-by  
Thought I'd be stronger on my own  
But then you came along  
And I've changed

Yes I feel the butterflies  
Yes I go all weak inside  
Hate to admit it but I'm here  
And I don't want you to leave my side

Used to laugh at romantic films  
Now I see you and me in them  
Say your cheesy line  
In fact, I'll be yours if you'll be mine

This must be love  
Look what u do to me (what u do)  
Oh what u do to me (what u do)  
Can't get enough  
Of what u do to me (what u do)  
Oh what u do to me (what u do)

Put your hands up if you feel like this  
If you're crazy 'bout a guy and it's real like this  
Put your hands up if you feel like this  
If you're crazy 'bout a girl and it's real like this

Baby baby ba-by  
I've been sprayin' your cologne on my clothes  
Have I gone insane  
Maybe maybe may-be  
I was way to synical  
Thinkin' I would never fall  
Now I'm cravin'

Roses used to make me queeze  
But from you they smell so sweet  
Hate to admit it but I'm here  
I kinda even like your feet

Never had a boy get me so  
Your picture's under my pillow  
Guy you offer silly names  
My boo my babycake

This must be love

Look what u do to me (what u do)  
Oh what u do to me (what u do)  
Can't get enough  
Of what u do to me (what u do)  
Oh what u do to me (what u do to me)

Put your hands up if you feel like this  
If you're crazy 'bout a guy and it's real like this (put  
your hands up)  
Put your hands up if you feel like this  
If you're crazy 'bout a girl and it's real like this (like  
this)

(I was ashamed) I was ashamed  
Embarrassed to feel  
Head over heels  
Thought love was just fantasy  
(But now with you) but now with you  
I don't have to hide  
You bring me to life  
I never knew oh

If you're crazy 'bout a guy and you feel like this hey  
Put your hands up if you feel like this  
Put your hands up if you feel like this  
Put your hands up (like this)

Oh

This must be love  
Look what u do to me (what u do)  
Oh what u do to me (what u do)  
Can't get enough  
Of what u do to me (what u do)  
Oh what u do to me (what u do)

Put your hands up if you feel like this (hands up if you  
feel like this)  
If you're crazy 'bout a guy and it's real like this (if you  
feel like this)  
Put your hands up if you feel like this (hands up if you  
feel like this)  
If you're crazy 'bout a girl and it's real like this (put your

hands up)  
Like this x 5
