I'm a short caller, I don't get caught up,
I always have the upper hand.
I'm a born winner, even when in love,
I never gave it all to my man.

But you came in and stuck up on me,
I'm facing my first fear.

I said I would never be a silly fool,
but look what you've done to me.
Said I would never lose,
but you came in and changed the rules YOU WIN.
I love it, I don't care anymore.
'cos who's keeping score? YOU WIN
I love it, my heart is a prize.
it's your's everytime YOU WIN.
La-la-la-la-la-la-la-la-la,
It's your's everytime YOU WIN.
La-la-la-la-la-la-la-la-la,
it's your's everytime.

You're my front runner, No. 1 stunner,
know you've got me under your spell.
My champion lover, I'll never find another,
Cupid's arrow pierced through my shell.

I'm waving my white flag I surrender,
I'm giving you all I have.

I said I would never be a silly fool,
but look what you've done to me.
Said I would never lose,
but you came in and changed the rules YOU WIN.
I love it, I don't care anymore.
'cos who's keeping score? YOU WIN.
I love it, my heart is a prize.
it's your's everytime YOU WIN.
La-la-la-la-la-la-la-la-la,
It's your's everytime YOU WIN.
La-la-la-la-la-la-la-la-la,
it's your's everytime.

Turn me upside down, turn me inside out,
spin my world around.
Take my breath away there's the blues again,
what do I do now? YOU WIN.

I love it, I don't care anymore.
'cos who's keeping score? YOU WIN.
I love it, yeah my heart is a prize.
it's your's everytime YOU WIN.
La-la-la-la-la-la-la-la-la,
It's your's everytime YOU WIN (time YOU WIN).
La-la-la-la-la-la-la-la-la,
It's your's everytime YOU WIN (time YOU WIN).
La-la-la-la-la-la-la-la-la,
I'm yours everytime, YOU WIN.
