Are you ready
Rock!
Are you ready
Do we have any rockers in here
Rock!
Are you ready
Yeah!

All you party people
Do we have any rockers in here
We're gonna rock together
Yeah!

Are you ready to rock n roll
Till you drop
Are you ready to take control
And never stop
Are you ready to fill your soul
With delight
Are you ready to unfold
And dance all night

Are you ready to rock n roll
Till you drop
Are you ready to take control
And never stop
Are you ready to fill your soul
With delight
Are you ready to unfold
And dance all night
Yeah!

Are you ready
Are you ready
Are you ready
Party people!
Are you ready
Are you ready to rock rock rock
Rock this party come on go
Yeah!

All you party people
Do we have any rockers in here
We're gonna rock together
Yeah!

Are you ready to rock n roll
Till you drop
Are you ready to take control
And never stop
Are you ready to fill your soul
With delight
Are you ready to unfold
And dance all night

Are you ready to rock n roll
Till you drop
Are you ready to take control
And never stop
Are you ready to fill your soul
With delight
Are you ready to unfold
And dance all night
Yeah!
