Walking down the street in this busy town  
I feel so good about myself  
I see respect in peoples eyes  
It feels like I'm wearing a crown

I'm walking to music  
Almost dancing down the street  
I don't know where I'm heading  
I'm just following my feet

I'm gonna show everyone that I'm feeling so great  
I could take on the entire world without breaking a sweat  
I'm on top of things I'm in full control  
I'm on a roll  
I have exceeded the boundaries that my faith has foretold
