You know who you are  
You know what you've done  
This is how you make me feel  
Huuaaaaahh

Anger fills me  
Blocks all my senses  
Stamblin in darkness  
Hiding from myself

How could it come to this  
Left out and alone  
Why do they hate me  
What have I done  
This is how you make me feel

Everyone is hurting me  
Stab my back without regret  
Everyone is against me  
And I don't know why  
What have I done

Everyone is hurting me  
Stab my back without regret  
Everyone is against me  
And I don't know why  
What have I done

All things feel wrong  
Empty and pointless  
Drownling in sorrow  
In my frustration

How could it come to this  
Left out and alone  
Why do they hate me  
What have I done  
This is how you make me feel

Everyone is hurting me  
Stab my back without regret  
Everyone is against me

And I don't know why  
What have I done

Everyone is hurting me  
Stab my back without regret  
Everyone is against me  
And I don't know why  
What have I done
