Little girl! Little girl!
Who do you think you're fooling

Listen to the story about a little girl
Who thought that no one could take advantage of her
Treated bad everyday of the week
Giving boys what they seek

She believes that big girls don't cry
And she never wonders why

She is sexy she is hot
She is easy she is tough
She is like a dream
She is crazy she is mean
Trying to fit in where she doesn't belong
She thinks she's in control she thinks she's strong

She is sexy she is hot
She is easy she is tough
She is like a dream
She is crazy she is mean
Tell me little girl in the fading light
Are you happy with your life or do you cry at night

Every night she gives a show
One time two times three in a row
Doing it like she's in an act
I'm not lying it is a fact
All her clothes in the colour pink
Shaking faking gets a drink
She never stops and she never think
Does it all without a blink

New guy almost every night
Man they can't be very bright
Stupid guys don't keep trying you will end up crying
Inside she cries for her mistake
Will she learn what road to take
In time they'll see she is a fake
At that time her heart will break
