I once knew a woman man  
A courageous friend I thought  
It turned out so wrong was I  
When we were up against the wall

He had chicken liver balls  
He had chicken liver spleen  
He had chicken liver heart  
Made of chicken liver parts  
Lily livered little parts  
Lily livered little parts

Prematurely going bald  
Any passion long gone cold  
But I wanted to explore  
The damp alleyways of his soul

All the times he tried to help  
He spit in my face and laughed  
That woman man I want his fucking ass  
I want his fucking ass  
I want his fucking ass  
I want your fucking ass

My friend darting, he's looking likely  
Crammed in a taxi  
I see you all too clearly  
Sucking on a little pea  
Sucking on a little pea

My, my you little toy  
He's just a mummy's boy  
Where's your liver?  
Where's your heart?  
What's with all your woman parts?

Now it's my turn to laugh  
Just stick it up your fucking ass  
Just stick it up your fucking ass  
Just stick it up your fucking ass

Just stick it up your fucking ass
