There's no way I can take my eyes off you  
And you don't see me at all  
Every time that you turn so cold  
I lose my heart and my soul

And every time we talk about us  
It doesn't make any sense

I want you to love me  
Save it for somebody else  
I want you to hold me  
Save it for somebody else  
I want you to lead me  
Save it for somebody else

And every time that you change your mind  
Over and over again  
You walk away and you come back to me  
Girl you drive me insane  
And when we talk about us  
It doesn't make any sense

I want you to love me  
Save it for somebody else  
I want you to hold me  
Save it for somebody else  
I want you to lead me  
Save it for somebody else

Why did I lock you inside my heart?  
I don't even know who you are  
And when I look at you  
Baby it hurts me  
oh...

I want you to love me  
Save it for somebody else  
I want you to hold me  
Save it for somebody else  
I want you to lead me  
Save it for somebody else

I want you to love me...  
I want you hold me...  
I want you to hold me...  
Save it to somebody else  
I want you to lead me...  
Save it to somebody else...
